The Lily Show

2020–Present

Hour-long special about queerness, nonmonogamy, and getting heckled at sex clubs. Presented in D.C., LA, and Atlanta as part of Nu Sass Production’s Backyard Arts program.

Highlight: Performed at a sangha (the Buddhist version of church) and afterward a charming gaggle of middle-aged Buddhist ladies asked if they could come to the sex dungeon with me.

Stand-Up

2015–Present

DC Improv, Laughing Skull, Arlington Cinema & Drafthouse, Charm City Comedy Festival, LIT Fest, Starr Struck Comedy, Filibusters, and many, many more.

Highlight: A fellow comic told me, “I had no idea from looking at you that you talked so much shit about white people. But you just lampooned them! And they all laughed!”

Professional Development

| | |
